

6c. Link to Content in an Audio or Video File

This PICNIC shows you how link a comment in a Comment Set to a starting and ending point in a video or audio file.

Steps

1. In Document View, select the Comments tab and if necessary, the Comment Set.
2. Select the file you want to add a comment to, and then type the comment. See the notes below for tips on adding these comments.
3. Click **Post**. The comment updates, displaying a link icon, which tells you the comment is linked to a section in the file.

Audio or Video Files

Notes

To link a comment to an audio or video file, play the file, then stop the file at the relevant parts to create a comment:

- Create the first comment at the beginning of the relevant part.
- Create a second comment at the end of the relevant part.

Tip: Clicking on the comments will move you through the markers in the video or audio file.
